Sudden Audio License Agreement

The product license is granted to the original purchaser. You may use the product on up to three (3) computers.

The license is non-transferable, and non-refundable.

You may use the product on commercial or non-commercial musical compositions without crediting Sudden Audio.

You cannot resell the samples, or use them to create another sample library or commercial sound design product.

Sample recordings remain the property of Sudden Audio.

The software and accompanying documentation are furnished to you "as is" and "as available" and without warranties, duties or conditions, statutory or otherwise, of any kind. Sudden Audio will not be responsible for any claims or damages related to usage of the Sudden Audio software.
